CSCE 361

Test Case	Pass / Fail	Expected Output	Actual Output
Date of Test : March 31 st , 2019 Reason : Initial System Test			
0	Pass	True True True True True True True True	True True True True True True True True
Date of Test : April 3 rd , 2019 Reason : System backed data Testing			
1	Pass	[Point(5,8), Point(6,8), Point(7, 8), Point(8,8)]	[Point(5,8), Point(6,8), Point(7, 8), Point(8,8)]
2	Pass	None	None
Date of Test: April 5th, 2019 Reason: Working Simulation from a Executable File			
3	Pass		
4	Pass		

5	Pass	 <p>The screenshot shows the 'Traffic Simulation' game interface. At the top, there are five buttons: 'START' (green), 'PAUSE' (yellow), 'STOP' (red), 'RESET' (orange), and 'QUIT' (blue). Below the buttons is a grid-based environment with various colored squares (red, yellow, green, blue, purple) and a small vehicle (a yellow car). The text 'Time Elapsed : 00:00:55' is visible in the top right corner.</p>	 <p>This is another screenshot of the 'Traffic Simulation' game interface, showing a similar grid-based environment with various colored squares and a small vehicle. The text 'Time Elapsed : 00:00:55' is visible in the top right corner.</p>
---	------	---	---

Date of Test: April 7th, 2019
Reason: Features/Functional requirements test

6	Pass	 <p>The screenshot shows the 'Traffic Simulation' game interface. At the top, there are five buttons: 'START' (green), 'PAUSE' (yellow), 'STOP' (red), 'RESET' (orange), and 'QUIT' (blue). Below the buttons is a grid-based environment with various colored squares (red, yellow, green, blue, purple) and a small vehicle (a yellow car). The text 'Time Elapsed : 00:00:00' is visible in the top right corner.</p>	 <p>This is another screenshot of the 'Traffic Simulation' game interface, showing a similar grid-based environment with various colored squares and a small vehicle. The text 'Time Elapsed : 00:00:00' is visible in the top right corner.</p>
---	------	--	--

7	Pass	 
<p>Date of test: April 8th, 2019</p> <p>Reason: Some other functional and nonfunctional requirements</p>		
8	Failed	 
9	Failed	 <p>Nothing Happened</p>
